

PROGRAM Open Day

September 21, 2007

Ph.D. School in Molecular and Structural Biology

Store AUD, Mat.Nat. building

- 09.15 "Welcome"
Arne O. Smalås, NorStruct, Department of Chemistry, University of Tromsø
- 09.20-10.20 Poster presentation (Student/Poster 1-12)
3 min oral presentation by each Ph.D. student
- 10.20-10.30 Coffee break
- 10.30-11.30 Poster presentation (Student/Poster 13-)
3 min oral presentation by each Ph.D. student
- 11.30-12.30 Poster (**Lysgården, MH building**)

Lectures, AUD 6, MH building

- 12.30-13.15 **"Signalling in stem cells and tumours: The simple language of the good and the evil".**
Stefan Krauss, Department of Cellular and Genetic Therapy, Institute for Microbiology, Rikshospitalet, Oslo
- 13.15-14.00 **"Gene regulation and chromatin structure during mouse lens development".**
Ales Cvekl, Albert Einstein College of Medicine, Yeshiva University, New York
- 14.00-14.15 Coffee break
- 14.15-15.00 **"Control of immune functions by regulatory T cells"**
Knut Martin Torgersen, The Biotechnology Centre of Oslo, University of Oslo
- 15.00-15.30 **Poster prize/Closure**
Presentation of poster prize winner
Closure of Open Day
