

Program paper session

Parallel group discussions based on participants' papers and other written work submitted

'Mobilities, Knowledges, Politics'. Open Workshop, Tromsø, Sommarøy, 25. – 29. April 2005

The program for paper sessions states:

- who will be discussants on each paper
- who will be chair for each session
- time for each session

Discussants are mainly appointed on the basis of considerations on who are the most qualified or interested student, senior researcher or lecturer for each paper.

The responsibility of the chair: Introduce the contributors, hold the program schedule and chair the session.

All participants are expected to read through all papers and other written work, and to prepare comments, especially when appointed as discussant. The papers and other written works are available at: <http://uit.no/gfb/events/4>

Guidelines for each presentation and discussions:

- presentation of paper/other written work: 20 minutes
- please present the main points of the paper (do not read the paper)
- discussants 10 minutes each, including answers
- general discussion approx. 20 minutes

Please notice that changes might occur to this programme.
