"Peace, health and medical work" – from thoughts to action

- Visit to UiTø by Johanna Santa Barbara (McMaster, Canada) autumn 2003
15 years experience with "Peace through health"
- Established a working group spring 2004 (supported by Rector)
- Participants from Institute of Community Medicine, Institute of Pharmacy, UNN, Dep. of Physiotherapy, CPS, medical students and SIH
- Specialists from Tromsø, Oslo, Toronto and Cambridge (USA) support us by giving their lectures

UNN's vision – used for peace?

We told him it was impossible,
but he just wouldn't listen!!
