- If needed, you are entitled to receive 30 copies free of charge. You should deliver the thesis to the printing office one day prior to the deadline for submission. Contact the printing office in due time to make an appointment.
- The manuscript should be a single-sided hard copy, A4-format, alternatively as a pdf-file. It will be printed in either in the A4-format or 17x24 format on white paper with black print. The thesis will be bound with a front cover in a colour of your choice.
- The printing office will, to a certain extent, help you with other wishes you may have. Special expenses will be billed to you separately. Printing tasks involving e.g. binding by hand and/or enclosure of separate, already printed sheets, are invoiced at a rate of NOK 200,- per hour. Cover-transparencies cost NOK 5,- per sheet and binding by hand costs NOK 10,-.
- If you need more than 30 copies, this will cost you NOK 0,40 per printed sheet and any special binding will cost extra.
- If you choose to use a different printing office, we'll reimburse your expenses according to these rates: NOK 0,40 per sheet incl. binding.
