* Possible for lectures at SVF-3024

In the spring of 2007, the SVF-2024 course of the MPCT-programme is mandatory. In addition, MPCT-students are asked to choose an elective. Finally, students start their work on the course SVF-3023, and in spring 2007, this course includes only to submit a project description in cooperation with the individual supervisor. The examination of the course SVF-3023 will take place in the fall semester 2007, by submitting a final research paper.
