APPLICATION FOR ADMISSION TO A MASTER'S DEGREE PROGRAMME

Closing date for applications 1 June / 1 December

If you are applying for admission to more than one master's degree programme/discipline, you must fill in one copy of this form for each subject area to which you are seeking admission.
If so, state here to which other master's degree programmes/disciplines you are also seeking admission: _____

3. Versjon januar 2005

1. PERSONAL INFORMATION

Surname, Forename:	Identity number (*11 digits*):											
Address:												
Post code, Place:												
Telephone number:	E-mail address:											

If the UiO does not know whether a Norwegian university/university college has awarded you the general right to matriculate, you must at the same time apply for this. An application form may be obtained from studentinfo@matnat.uio.no

2. INFORMATION ABOUT YOUR BACKGROUND

Information about the Faculty's bachelor's degree composition requirements will be found at www.matnat.uio.no.

CAND. MAG. DEGREE/BACHELOR'S DEGREE or equivalent: *(state which degree alongside the relevant field)*

Have degree:	From the Faculty (which degree):		Planning degree*:	In the Faculty (which degree and when):	
	From theUiO otherwise (which degree):			At the UiO otherwise (which degree and when):	
	From another university (which degree):			At another university (which degree and when):	
	From a college (which degree):			At a college (which degree and when):	

***Examen philosophicum is an obligatory part of the bachelor's degree /Cand. Mag. degree in the Faculty / at the UiO otherwise / at other Norwegian universities. College degrees questions about this must be addressed to the college concerned.**

3. I AM APPLYING FOR ADMISSION TO THE FOLLOWING MASTER'S DEGREE PROGRAMME(S)

Master's degree prog.:	Subject area, if any:	Priority no. for this application (must be stated) if you are applying for admission to several:

If you have higher education outside the Faculty, you must state here what education this is:

If education outside the Faculty is included in the basis of admission (see below) you must place a cross in the box by the statement that applies to you:

- ☐ Education has been previously assessed. Copy of assessment letter has been stapled to this application.
- ☐ Application for academic assessment already being considered by this Master's Degree Programme Board.
- ☐ I am now at the same time submitting an application for academic assessment.

(If none of these conditions is satisfied in your case, your application for admission to the Master's Degree Programme will not be dealt with.)

The basis of admission (the 80-credit group or the equivalent, as well as any additional requirements) consists of (see information on reverse side):

Admission to the Master's Degree Programme with closing date for applications 1 June will as far as possible await publication of grades from spring exam(s), if admission is dependent on this. Admission to the Master's Degree Programme with closing date 1 December will as far as possible await autumn grades, if these are crucial.

In the present semester I am taking the following subjects outside the UiO that I believe will be decisive for the result of my application for admission to the master's degree programme:_____

I shall forward a certified copy of the grade transcript for this to the Programme Board as soon as the grades are available

4. DATE AND YOUR SIGNATURE

You will get a reply to your application from the Programme Board

5. ADMISSION REQUIREMENTS TO THE MASTER'S DEGREE PROGRAMME IN GEOSCIENCES

The Master's Degree programme in Geosciences is based on a 3 year Bachelor's degree.
In addition to the general requirements of a 3 year bachelor's degree, there are specific requirements for all disciplines. All applications will be evaluated separately.
