

Subject:	Term paper
Kode:	TP109ERAS
Credits:	9 ECTS
Vedtatt:	Passed by the Faculty Steering Committee 9. December 2008 (item A28/08)

The plan's components:

1 Introduction

2 Content

3. Organisation

4. Evaluation portfolio

5. Course literature

1. Introduction

Exchange students studying at Sør-Trøndelag University College are given the opportunity to write a term paper that amounts to 9 credits. In combination with other courses, including the course Introduction to Norway, the term paper can be included in the total amount of credits earned while studying at the Sør-Trøndelag University College.

2. Content

The topic of the term paper is decided in cooperation with the Faculty of Teacher and Interpreter Education. Possible topics can relate to a comparison of the educational system in Norway and the exchange student's home country.

3 Organisation

The term paper is organized in the form of self-study where supervision is provided by the Faculty of Teacher and Interpreter Education.

Obligatory Requirements

The obligatory requirements for the term paper are outlined in cooperation with the Faculty of Teacher and Interpreter Education.

4. Evaluation

The evaluation consists of two parts:

Part 1

Term paper

Part 2

Individual oral exam

Both parts are evaluated with pass or fail. If the student fails one of the parts, he or she fails the course as a whole.

5. Course literature.

Course literature is settled in agreement with the Faculty of Teacher and Interpreter Education and must be included as bibliographical reference in the term paper.
